#2

In re Patent Application of
Michael S. Roberts, et al
Serial No. 10/044,955

Filed: January 15, 2002

For: TREATMENT OF NEOPLASMS WITH VIRUSES

Atty. Ref.: 2370-84

Group:

Examiner:

* * * * *

February 19, 2002

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

INFORMATION DISCLOSURE STATEMENT

Attached is a completed Form PTO-1449 listing references in connection with this application. Copies of these references are in the file-wrapper of parent application Serial No. 09/168,883, and are therefore not being submitted with this IDS.

The Examiner is requested to initial the attached PTO-1449, and to return a copy of the initialed document to the undersigned as an indication that the listed references have been considered and made of record.

Respectfully submitted,

NIXON & VANDERHYE P.C.

By: 

Leonard C. Mitchard

Reg. No. 29,009
